**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am asking you to please make sure you are representing the welfare of all consumers - but especially those residing in rural areas. We need to keep our internet provider and not necessarily, the "big dogs." You know who I mean - those who pay for the multitude of lobbyists and colorful, expensive ads.

Competition is good for all, but especially for the internet/broadband consumer. I personally find internet services critical to my work since I work at home and I support our local internet provider.

Thank you.
